T12 net operating income	\$69,333
Prior T12 NOI (Aug 2024–Jul 2025)	\$40,809
Cap rate at \$650,000 / at \$600,000	10.7% / 11.6%

Trailing-four NOI: Apr 2026 \$9,223 · May \$10,397 · Jun \$10,267 · Jul \$6,916.
Source: owner P&L through July 2026. Verify in diligence against PMS and bank records.

Two paths — quoted terms

	SBA 7(A) PROFILE	CONVENTIONAL HOTEL DESK
Down at \$650k	~20% · ~\$130,000	35–40% · \$227,500–\$260,000
LTV	~80%	60–65%, sized off <i>appraisal</i>
Rate (at quote)	~prime+2 · ~8.75%	prime+1 to 1.5 · ~7.75–8.25%
Structure	25-year amortization	5-yr term / 20-yr amortization
DSCR at ask (primary)	1.35 at 8.75%	1.64 at 65% LTV / 8.00%
Typical buyer	Owner-operator / first hotel	Investor with more equity

Owner is redeploying to multifamily (portfolio decision, not distress). City of Dilley Commercial CO (Hotel) issued July 9, 2024, Permit 24-07-09 — property currently books both nightly and monthly income.

Illustrated DSCR at \$650,000 and \$600,000 — T12 NOI \$69,333 held constant

P&I only, fully amortizing. Primary quoted case in gold. 8.25% / 9.25% SBA rows are a ±50 bp band around the quoted ~prime+2 rate, not a separate quote. Conventional 7.75% / 8.25% rows are the quoted rate band around an 8.00% midpoint.

Disclaimers — read before relying on any number on this page

- Lender-quoted, subject to underwriting and appraisal.** Neither path is pre-approved or a commitment to lend. Credit, hospitality experience, liquidity, global DSCR, and collateral will be underwritten to the lender’s box. Independent unflagged hotels are specialized SBA credit; a given buyer may or may not qualify.
- Conventional loans are sized off a current appraisal, not the ask.** Illustrated 60–65% LTV amounts use price only for comparison. A 2024 appraisal is in the diligence file (effective Jan 23, 2024; prospective “as if completed” May 1, 2024). Do not treat that value conclusion as current or as the number a 2026 lender will use.
- P&I only, T12 historical.** Payments exclude taxes, insurance, SBA guarantee fees, points, reserves, and closing costs — cash-to-close will exceed “down” shown. T12 NOI is not a forecast. Taxes, insurance, payroll mix, occupancy, and rates will change.
- Brokerage.** Listed exclusively with Marcus & Millichap through year-end 2026. Inquiries and offers route through the listing broker. The owner is a Texas real estate license holder. Next step: walkthrough (in person or live video).

Owner-provided figures from the P&L through July 2026, except financing terms (lender conversations) and the ask. Roundings: T12 NOI \$69,332.59 → \$69,333; T12 revenue monthly sum \$158,968.11 → \$158,968. DSCR = T12 NOI ÷ (12 × illustrated monthly P&I). Conventional 5-year balloon is not modeled. This illustration is for qualified buyers who requested the financial package at hoteldilley.com/buy. It is not an offering circular or a solicitation to the public at large.
